With 2013 shaping up to be one of the best years yet for New York State's apple growers, State Senator Hugh T. Farley (R, C, I - Schenectay) encourages all New Yorkers (and tourists!) to visit a local apple orchard this autumn.

There are 654 apple orchards around the state offering a variety of apple products, including cider, doughnuts, wine and apples. To find the nearest u-pick orchard, visit

www.nyapplecountry.com/pick.php. It's a great way to support our local farmers
