State Legislators Call for B 37 Route to Extend Past Barclays Center

MARTIN J. GOLDEN September 27, 2013

Brooklyn – State Senator Martin J. Golden (R-C-I, Brooklyn) and Assemblymembers Nicole Malliotakis (R-C, 64th District) and Joan Millman (D-52nd District), today have sent a letter to MTA President and CEO Thomas Prendergast, asking that the MTA extend the B 37, when the route is restored next year, past the Barclays Center as currently proposed.

Previously, the B 37 bus route terminated approximately ten blocks past the Barclays Center to Court Street/Livingston Street.
