Free Mammogram Screening on October 24th!

PHIL BOYLE October 23, 2013

| ISSUE: [HEALTH, WOMEN'S HEALTH](#)

According to the National Cancer Institute, 1 in 8 women will be diagnosed with Breast Cancer in their lifetime.

October is National Breast Cancer Awareness month and it is very important that women take the time to get tested. That is why Senator Boyle has partnered with Project Renewal and Scanvan to co-host a free Mammogram Screening for women forty and older who have not been tested within the last year.

Here are the details:

Free Mammogram Screening
