Con Edison Work Alert - Staten Island, NY

Andrew J Lanza

October 15, 2013

Con Edison would like to alert you to some upcoming work in your district.

In preparation for a city sewer job, Consolidated Edison crews will be working in the roadbed along Victory Boulevard, between Roswell and Travis Avenues, in Travis.

Work will start Tuesday, October 15 and continue through mid-November.

Hours of work will be from 9 a.m. to 3 p.m.

The work will cause traffic along that segment of Victory Boulevard to merge from two lanes into one.
