Ritchie Helps Give North Country Kids “Keys” to a Bright Future

PATTY RITCHIE October 23, 2013

| ISSUE: **FAMILIES, CHILDREN, YOUTH**

State Senator Patty Ritchie recently joined community members at the Children's Home of Jefferson County's SoZo Teen Center, to celebrate the donation of 16 computers to the center by UnitedHealthcare.

As part of the “Community Computers” program, UnitedHealthcare “recycles” used equipment back to community-based organizations. Since launching the program last spring, UnitedHealthcare has donated more than 300 computers, including 50 in New York State.
