Senator Jack M. Martins will once again be holding a Holiday Toy Drive. Toys can be brought to Senator Martins' District Office at 151 Herricks Road, Suite 202, Garden City Park during normal business hours. The toys will benefit the **Child Life, Education & Creative Arts Therapy Department at Cohen Children's Medical Center**. Toys will be collected through Wednesday, December 11 and then brought over to Cohen Children's Medical Center.

Senator Martins has held very successful toy drives in the past thanks to the generosity of the residents, school, libraries, businesses and villages throughout the Seventh Senate District.
