

NEW YORK STATE SENATOR

John J. Bonacic

Statement from Senator Bonacic on Regional Economic Development Council Awards

JOHN J. BONACIC December 12, 2013

Statement from Senator Bonacic on Regional Economic Development Council Awards

"Whenever the State gives grants in the amount of nearly \$60 million to our Mid-Hudson region, that increases economic vitality, helps our municipalities and our nonprofit organizations who are struggling, and creates jobs, that is a good thing. I always want more money to help our Mid-Hudson communities and those who serve them, but I am appreciative of the efforts made by the Governor and my regional colleagues."

The full report on the awards can be found by clicking the link below:
