CHARLES J. FUSCHILLO JR. December 30, 2013

New York State Senator Charles J. Fuschillo, Jr. (R-Merrick) today helped put smiles on the faces of Winthrop University Hospital's child patients by delivering over 2,000 toys collected through his annual “Extend the Holidays” toy drive. Representatives from the Nassau County Sheriff Correction Officer's Benevolent Association, Laborers Local 66, and Local 1298, along with members of Calhoun High School's Student Council, all of whom participated in the program, joined Senator Fuschillo in delivering the toys to the hospital.

“Extend the Holidays” is an annual toy drive Senator Fuschillo organizes for the benefit of children in Winthrop’s Hagedorn Pediatric Inpatient Center. The toys collected through the program are delivered after the holiday season so that children can experience the joys of receiving a holiday gift throughout the year.

“Each year, with the tremendous generosity of schools, labor unions, and local residents, we are able to brighten the spirits of children in Winthrop University Hospital through ‘Extend the Holidays.’ This year was our most successful toy drive since we began this program in 1998, and the over 2,000 toys collected through the program will help put smiles on the faces of Winthrop’s child patients throughout the new year. Thanks to everyone who participated in this program for making it such a success once again,” said Senator Fuschillo.
