Fyi: Senator Avella Shares Two Op-Ed Articles Defending the Independent Democratic Conference

TONY AVELLA March 11, 2014

The Democrats in the Senate minority are no truer Democrats than those in the IDC. Just because the members of the IDC have determined that it is in the best interest of their constituents (and themselves) to share power with the Republicans, does not make them any less principled or worthy of carrying their party's standard.
