Statement from State Senator Gustavo Rivera on Health Commissioner Shah

Gustavo Rivera

April 11, 2014

“As New York State Health Commissioner, Dr. Shah has done extraordinary work to advance the overall health of the people of our state. His leadership has been essential in expanding and improving the quality and access to health care for New Yorkers. His departure will truly be a loss for our state. I wish him all the best as he pursues new endeavors and look forward to working with Dr. Zucker moving forward.”
