Statement From Senator Marty Golden on the Closing of Bishop Ford High School

MARTIN J. GOLDEN April 16, 2014

| ISSUE: **EDUCATION**

“For 52 years, Bishop Ford Central High School has served a vital role for the education of students throughout our community. The sad truth today is the failure to pass the Education Investment Tax Credit was the final straw on this school. There is no doubt in my mind that the tax credit would have made a difference here. Equally, if we do not take immediate action to enact the Education Investment Tax Credit, we will continue to see closings at an accelerated rate,” said Senator Marty Golden.
