Simcha Felder

Statement by Senator Felder Regarding Proposed Funding for After-School Vouchers

SIMCHA FELDER May 7, 2014

| ISSUE: **SOCIAL SERVICES**

"During our many years in the City Council, Mayor Bill de Blasio and I worked together tirelessly to restore voucher funding every year. I am pleased that today's executive budget reflects a partial restoration and a commitment by the Mayor to this important program. I am confident that Council members David Greenfield and Stephen Levin under the leadership of Speaker Melissa Mark-Viverito will work together with the Mayor to ensure that families continue to receive uninterrupted child care vouchers."
