

NEW YORK STATE SENATOR

George D. Maziarz

Statement from Senator George Maziarz

GEORGE D. MAZIARZ July 14, 2014

“It is no secret to my family and close friends that I have been considering retirement from the State Legislature for the last five years. And as I geared up for another long campaign season, I realized I just did not have the passion and commitment that I have had in the past to see it through.

“People will ask me why now and the simple answer is there is never the perfect time to step away. I had the honor of following the late John Daly into the State Senate. I remember him telling me when he left the Senate it was simply time for the next generation of leaders in the Legislature. After nearly two decades in office, I fully understand what he meant and feel that way today.

“My second daughter gets married this summer and that is a much bigger priority for me than another grueling campaign. My family has sacrificed enough for my public service through the years and I cannot ask for any more.

“To the people of Niagara, Orleans and Monroe counties who I have had the pleasure to represent since 1995, I extend my heart felt appreciation for your continued support. I always told people that being your Senator was the greatest job in the world, one I dedicated myself to 24 hours a day, seven days a week. We accomplished great things and I did my best to help my constituents with any problem...big or small. Thank you for giving a kid from North Tonawanda the chance to fulfill his dream of serving in the State Senate.”
