Senator Jack M. Martins (R-Mineola) recently joined with the Williston Park community at the Children's Parade for a safer Williston Park. The parade is part of National Night Out, a nationwide event where communities promote involvement in crime prevention activities, build police-community partnerships and neighborhood camaraderie, and show their commitment to standing up to crime.

Senator Martins (kneeling front row center) joins with Williston Park Mayor Paul Ehrbar and members of the Williston Park community at the National Night Out event in Kelleher Park.
