Senator Jack M. Martins (R-Mineola), County Executive Ed Mangano, and Legislator Rich Nicoletto recently sponsored a property tax exemptions workshop to help local residents save on their property taxes. The program was held at the Hillside Library in New Hyde Park.

Specialists from the Nassau County Department of Assessment met one-on-one with homeowners to answer questions about New York State's STAR and Enhanced STAR programs, as well as other property tax exemptions offered by Nassau County. Residents were also able to file applications for property tax exemptions on site.
