Senator Mike Nozzolio to Recognize 54th District “Constituent of the Week”

MICHAEL F. NOZZOLIO September 16, 2014

In an effort to recognize individuals in his Senate District who make a positive contribution in their communities, New York State Senator Mike Nozzolio will be hosting a “Constituent of the Week” recognition on his Facebook page. Individuals are invited to nominate and submit a photo of a local individual to be recognized for their efforts.

“Every day, throughout my District, emergency personnel, first responders, educators, nurses, doctors, coaches, students, and numerous other individuals do something that benefit their local community,” said Senator Mike Nozzolio. “The recognition page that I have created will help to honor those individuals who make the 54th Senate District an incredible place to live.”

To nominate an individual and submit a photo, please visit Senator Nozzolio's Facebook page at www.facebook.com/SenatorNozzolio for further details. In addition, please make sure to ask for permission from the individual before submitting their information and sharing their photo.

The "Constituent of the Week" feature follows Senator Nozzolio's successful "Firefighter of the Week" program. Nominations will be posted on Senator Nozzolio's Facebook and website page every Wednesday. The "Firefighter of the Week" recognition will continue and will be announced on Mondays.

For more information or questions regarding these efforts, please contact Senator Mike Nozzolio at 1-888-568-9816 or visit his Facebook page at www.facebook.com/SenatorNozzolio.
