Veterans Day 2014 - Saluting Those Who Served

JOHN A. DEFRANCISCO November 10, 2014

| ISSUE: **MILITARY, TROOPS, VETERANS**

As a veteran myself, I know there is no greater service that a citizen can give to our country than to risk his or her life so that our freedoms can be protected.

I would like to extend my heartfelt appreciation to all of our veterans, who have honorably served this great Nation. Their invaluable sacrifices and contributions have not gone unnoticed.

That is why I wanted to provide you with more information on several new programs and services that I have supported to better assist our military members and their families. To read about these measures, please click on the link below.

Again, thank you to all of our veterans, and I hope you, and yours, have a safe and memorable Veterans Day.
