A Veterans Day Message from Senator Rev. Rubén Díaz

November 11, 2014

On this Veterans Day, I am proud to say that I served in United States Army's 35th Quarter Master Battalion. In 1960, I was sent from my home in Puerto Rico to receive basic training in Fort Jackson, South Carolina. From South Carolina, I was sent to serve our country in Ludwisburg, Germany. As a Veteran, I would like to honor all who served with a message to all Members of the Armed Services: Thank you for serving our country and protecting our freedoms. May the Lord continue to bless you and your families.
