Statement from Senate Democratic Conference Leader Andrea Stewart-Cousins on Need for Ethics Reforms in Special Session

Andrea Stewart-Cousins

December 16, 2014

"The Senate Democratic Conference has consistently called for common sense ethics and campaign reforms and we agree with Governor Cuomo in his call for passing these initiatives immediately. As with all progressive legislation, including the NY-SAFE Act, the Compassionate Care Act, and Marriage Equality, the Senate Democratic Conference stands ready to provide the necessary support to ensure passage. Ethics and campaign finance reforms should not be a partisan issue. We will continue our fight to clean up Albany and pass strong ethics reforms and we look forward to working with any state leader who will join us in these efforts."
