Limited Collection to Resume Today at 7pm

MARTIN J. GOLDEN February 2, 2015

The Department of Sanitation (DSNY) will resume limited collection throughout the city starting tonight at 7 p.m. Due to prior Monday holidays and suspensions due to snow operations, DSNY crews will be focusing on collecting recycling in areas scheduled for Monday recycling service.

Residents whose Monday recycling wasn't collected earlier because of the snowstorms and holidays should place their material out at the curbside. Residents are asked to place their material out in a cleared area, if possible, to help Sanitation Workers gain access to the cans and bags.
