State Senator Joseph P. Addabbo, Jr. Statement on Mayor De Blasio's Build It Back Progress Announcement

JOSEPH P. ADDABBO JR February 4, 2015

| ISSUE: **GOVERNMENT OPERATIONS, AGENCIES**

"In the Mayor's State of the City address, he said each and every reimbursement check for Superstorm Sandy victims will be given out by the year's end. This is very encouraging, and I hope realistic given Build it Back's progress last year. Making our community whole again is long overdue and I hope this year can bring heaps of progress for those still wading through the storm's wake. I host Build it Back representatives in my Howard Beach District Office every Wednesday and look forward to continuing our working relationship until each and every resident credibly seeking assistance gets the help they need.
