

NEW YORK STATE SENATOR

David J. Valesky

Statement from Senator David J. Valesky on the Confirmation of Joanne M. Mahoney as Chair of the New York State Thruway Authority

DAVID J. VALESKY March 31, 2015

| ISSUE: **TRANSPORTATION, THRUWAY AUTHORITY**

On March 30, I enthusiastically supported the confirmation of Joanie Mahoney as Chair of the New York State Thruway Authority. Over the years, I have had the pleasure of working closely with Joanie in her capacity as Onondaga County Executive. She has demonstrated skill and leadership in a challenging environment as County Executive, and I believe she will be a great asset to the Thruway Authority. I commend Governor Cuomo for this excellent appointment, and I look forward to a continued positive relationship with County Executive Mahoney in her new role.
