State Senator Joseph P. Addabbo, Jr. Statement on Potential Fraud in Fema Sandy Reports

JOSEPH P. ADDABBO JR March 2, 2015

| ISSUE: **GOVERNMENT OPERATIONS, AGENCIES, EMERGENCY SERVICES OR FEMA**

"My constituents, after dealing with the ravages of Superstorm Sandy, should not have to have dealt with dishonest FEMA personnel. It's unacceptable to think that the initial federal agency that was to help my people after the storm was actually another roadblock to full recovery. I'm calling upon our federal elected officials to investigate FEMA and help those individuals who were previously denied FEMA assistance."
