STATEMENT FROM THE SENATOR

Andrea Stewart-Cousins
Senate Democratic Leader
New York State Senator, 35th District

"It's seems everyday a new Albany scandal rocks New Yorkers' confidence in our state government. The Senate Democratic Conference has outlined a series of common sense measures, including closing the LLC loophole, that will restore the people's faith in state government by cleaning up Albany. I am disappointed that efforts to close the LLC loophole continue to be blocked and I hope with the remaining time left in session we can finally

close this glaring loophole and pass real ethics reforms."
