Senator Felder's Statement Applauding Councilman Greenfield and NYC Council for School Safety Legislation

SIMCHA FELDER April 16, 2015

| ISSUE: **TERRORISM**

"I commend Councilman David Greenfield and his colleagues in the New York City Council for proposing Introduction 65 to ensure the safety of non-public school children. Safety is a growing concern in every community, and all parents deserve to have peace of mind knowing that their children will be protected. We must do everything possible to keep all children safe."
