Construction Bulletin - Belt (Shore) Parkway Traffic Shift - Bay Ridge Avenue

Martin J. Golden

April 21, 2015

Beginning at 10:00 p.m. on Thursday, April 30, the two *eastbound* lanes on the Belt Parkway at Bay Ridge Avenue (Exit 1) will be shifted to the left, (to the newly completed center section of the Belt Parkway Bridge) at Bay Ridge Avenue. The two lanes on the westbound roadway will remain in their current configuration. This traffic shift will allow for the establishment of a work zone on the current eastbound section of the bridge in order to begin the fourth stage of the bridge rehabilitation.
