Senator David Carlucci (D – Rockland/Westchester), planted a tree in celebration of Earth Day with the students of Grandview Elementary School.

“I have always enjoyed Earth Day,” said Senator Carlucci. “It’s important to show children how fun and easy it is to make our Earth a healthier place. As State Senator, I know how important it is to protect our environment with legislation, but that will only bring us so far,

sometimes you need to roll up your sleeves and get to work.”

The apple tree was donated by O’Sullivan Tree Care from West Nyack.
