Senator Martins Memorial Day Message

JACK M. MARTINS May 25, 2015

| ISSUE: **VETERANS**

"Memorial Day is not just about backyards and barbecues. It's about offering our collective thanks to the men and women who have served our country and paying special recognition to those who made the ultimate sacrifice in that service.

On behalf of a grateful state, I offer our veterans and their families our most sincere 'thank you!'"
