Senator Jack M. Martins (R-7th Senate District, pictured left) recently congratulated Mineola residents George Becker, Theodore Bischoff, Stephen

Martone, and Leonard Morra for attaining the prestigious rank of Eagle Scout. The four are members of Boy Scout Troop 45.

“Becoming an Eagle Scout is an extraordinary honor because few can meet the rigorous requirements needed to attain it. Through countless hours of serving the community, developing their skills, and sheer hard work, George, Theodore, Stephen, and Leonard have earned the highest honor a scout can receive. Congratulations to these four young men on a job well done,” said Senator Martins.
