Felder: Zero Tolerance for Passing Stopped School Bus

SIMCHA FELDER June 9, 2015

Senator Felder (D – Brooklyn) joined Senator John Bonacic (R,C,I – Mt. Hope) to pass legislation to protect school children. Senate Bill S1634 amends the vehicle and traffic law by increasing the penalties for passing a stopped school bus.

“Passing a stopped school bus can, G-d forbid, kill or seriously injure children who may be getting on or off that bus,” said Senator Felder. “We must do everything in our power to ensure the safety of our children.”

“How can it be that current law provides that an individual convicted two or more times of speeding in a construction zone is subject to sixty days suspension of his or her driver’s license, but passing a stopped school bus two or more times does not carry the same penalty,” questioned Senator Felder. “This legislation guarantees that people who put school children at such grave risk will be punished for their selfish actions. It not only creates a safer environment for our children, but also gives their parents piece of mind.”
