Senator George Amedore Celebrates Opening of Newly Relocated District Office in Kingston

George A. Amedore, Jr.

July 2, 2015

Senator George Amedore and Congressman Chris Gibson today held an open house to celebrate the opening of Senator Amedore's new district office, located at 721 Broadway, Suite 100, in Kingston. They were joined by local elected officials and community members.

"I'm pleased to open my new district office in the Ellenbogen Media Center. I believe government works best when elected officials at all levels work together on solutions to improve our communities, so the fact that the Congressman already has a presence here will make it easy and efficient for our constituents to get assistance with any issues they need resolved," said Senator Amedore.

"I am so pleased to help welcome Senator Amedore and his team to 721 Broadway," said Congressman Gibson. "We are committed to serving the people of our region, and I encourage our constituents to stop by or call if we can be of assistance."

The office will be open Monday-Friday from 9 am – 5 pm. To contact Senator Amedore's office: [\(845\) 331-3810](tel:8453313810)
