Senator Bonacic Tours Bell Flavors and Fragrances in the City of Middletown

JOHN J. BONACIC August 7, 2015

(Middletown, NY)-Senator Bonacic was pleased to join members of the Executive Leadership team from Bell Flavor and Fragrances yesterday for a tour of their 87,000 square foot facility in the City of Middletown. Bell Flavors and Fragrances is a worldwide company that creates flavors and fragrances for many of the food, beverage, cosmetic and personal care products that we use on a daily basis. The Middletown facility is one of Bell's two manufacturing locations in North America, and employs over 50 people.

In addition to the tour, Senator Bonacic met privately with members of Bell's leadership team to discuss legislative and regulatory issues that the company faces on a daily basis.
