(Middletown, NY)-This past Sunday, Bonacic joined neighbors and friends at the annual Florida Family Fun Fest, held every year on Main Street in the Village of Florida. Fun Fest is a yearly showcase of the Florida community, and gives friends and neighbors a chance to come together and enjoy some delicious food, check out some great local vendors, and listen to some free entertainment. In addition to attending Fun Fest, Senator Bonacic also presented the Highland Engine and Hose Company #3 with a NY Senate Resolution commemorating their 130th Anniversary. Located in Florida, the Highland Engine and Hose Company #3 continue to serve their community with bravery and honor.
