(**Middletown, NY**)-Senator Bonacic was pleased to join friends and neighbors yesterday at the annual Delaware County Fair. The Fair, held every year in Walton, NY, and sponsored by the Delaware County Agricultural Society, is one of the largest agricultural fairs in the region, and has an average annual attendance of 80,000. The 6-day event has something for everyone, including live entertainment, livestock contests, tractor and farm equipment displays, carnival rides, delicious food, and a host of local vendors displaying and selling their items.
