Senator Jack M. Martins (R-7th Senate District) and Legislator Rich Nicolello (R-9th Legislative District) recently sponsored a property tax exemptions workshop at the Hillside Library to help local residents save on their property taxes.

Specialists from the Nassau County Department of Assessment met one-on-one with homeowners to answer questions about New York State's STAR and Enhanced STAR

programs, as well as other property tax exemptions offered by Nassau County. Residents were also able to file applications for property tax exemptions on site.
