“Yogi Bear” Will Be Shown on Thursday at the Soundview Park Ampitheater

You should know that Soundview Park is one of the best kept secrets in the Bronx. Soundview Park is a jewel of the Bronx that not too many people know about. It is a beautiful, well maintained haven with a running track, grass baseball fields, a soccer field, basketball courts, handball courts, walking/biking paths and a new performance lawn.

This Thursday, August 27, 2015 at 6PM the elected officials who represent the area – including Bronx Borough President Ruben Diaz, Jr., Assemblyman Marcos Crespo and myself – will join together for an official Ribbon Cutting for the Soundview Park Amphitheater.

The Soundview Amphitheater will be used as a stage for live music, entertainment and outdoor movies where families and children can join together for special times in Soundview Park.

It is also important for you to know that right after this Thursday's event with the Bronx Borough President Ruben Diaz, Jr. and other elected officials there will be a Free Movie Night where "Yogi Bear" will be shown for our children and families to enjoy.

So come out and have a nice, decent and marvelous night out with your families in Soundview Park. Soundview Park is located at the end of the Bronx River Parkway South, and the entrance is located at Rosedale Avenue and Lacombe Avenue in Bronx County.

I am State Senator Rev. Rubén Díaz and this is what you should know.
