| ISSUE: **ENVIRONMENT, GOING GREEN, HAZARDOUS WASTE**

Green practice stops hazardous e-waste from going to a landfill

State Senator Mike Ranzenhofer will offer residents an opportunity to recycle old electronics at a free drop-off event on **Saturday, September 26th** from **9 a.m. to 2 p.m.** at **Eastern Hills Mall**, 4545 Transit Road.

Senator Ranzenhofer is committed to using green practices to positively impact the environment.

“Too many pounds of electronics go to landfills each year. That is why I am sponsoring an e-recycling event so that residents can properly dispose of their old electronics,” said Ranzenhofer. “I encourage residents to drop off computers, televisions, cell phones and much more so that we can do our part to keep our landfills free of hazardous e-waste!”

Senator Ranzenhofer's E-Recycling event is in conjunction with Sunnking Electronics Recycling and Time Warner Cable.

"Time Warner Cable is proud to be a partner of such an important 'green' event in the Western New York community," said Time Warner Cable Area Vice President of Operations Mark Fitchett. "Technology has taken on such an important role in our lives and now more than ever, we need to be mindful of the environment as we dispose of these items."
