NYS Senate Veterans Hall Of Fame

GEORGE WINNER

Elmira, N.Y., September 18--State Senator George Winner (R-C-I, Elmira) paid tribute today to Robert Laskaris, a highly decorated combat veteran and well-known figure in Chemung County veterans' affairs, by inducting him into the New York State Senate's online Veterans Hall of Fame.

"Bob Laskaris served our nation admirably and courageously, then he returned home to lift the lives of local veterans across many decades," said Winner. "He's a highly respected veteran, a citizen of the first order, and a driving force in local veterans' affairs. It's a privilege for me to have an opportunity to pay tribute to Bob's military and civilian service, and to honor him as a true 'veteran's veteran.'"

Winner held a small ceremony today with members of Laskaris' family and friends at the Maple Lawn Dairy Family Restaurant in Elmira to present the Hall of Fame plaque.

The Senate established the Hall in 2005. It's designed to honor New York veterans whose service in the United States Armed Forces is accompanied by service to the community and accomplishments as a civilian, and includes veterans representing Senate districts from throughout New York State.
