

NEW YORK STATE SENATOR

Carl L. Marcellino

Senator Carl L. Marcellino today applauded the US Department of Commerce decision to turn down the Broadwater project

CARL L MARCELLINO April 1, 2009

"It is truly significant to have the US Department of Commerce to independently concur that Broadwater is wrong for Long Island Sound. If we are to protect the Sound's ecology and economic significance than the only reasonable position is to reject Broadwater and find an alternative," said Senator Marcellino
