Senator Leibell Presents \$25,000 Appropriation to the Philipstown Depot Theatre

VINCENT L. LEIBELL June 4, 2009

“ I am pleased to be able to contribute to such a worthwhile community based endeavor”

Senator Leibell presents the Philipstown Depot Theatre with \$25,000 toward the cost of a new sprinkler system, without which the theatre will have to close.

The Philipstown Depot Theatre has for twelve years served the Hudson Valley as a venue for plays, children's productions, films, music, workshops, dance, poetry readings and play readings. It is an intimate performance space which gives both young performers and established professionals a place to hone and share their talents.
