Full Line Report on F Train:

DANIEL L. SQUADRON October 14, 2009

| ISSUE: **TRANSPORTATION, MTA (METROPOLITAN TRANSPORTATION AUTHORITY)**

This summer, after hearing from so many of you about the poor service you experience every day on the F train, I asked the MTA to do a full line review.

The MTA agreed to do the report, the first-ever of its kind, and released their findings last week. You can access the report below. I am glad I was able to make this report happen. Now we must hold the MTA's feet to the fire, to make sure it leads to improved service. You can read more about the report and the work I have been doing on this issue in this article from the New York Times: <http://cityroom.blogs.nytimes.com/2009/10/09/on-the-f-train-the-mta-confirms-what-riders-know/>
