Michael F. Nozzolio

Focusing On The Importance Of A Chamber Of Commerce

MICHAEL F. NOZZOLIO October 29, 2009

Chambers of Commerce play a vital role in the support and expansion of business enterprise in our communities. I was fortunate to have an opportunity to address the members of the Cayuga County Chamber of Commerce recently and thank them for their efforts at their 100th anniversary dinner.

Senator Nozzolio is pictured here with Andrew Fish, Executive Director of the Chamber.
