

NEW YORK STATE SENATOR

Martin Malavé Dilan

Statement from Senator Martin Malavé Dilan

MARTIN MALAVÉ DILAN November 10, 2009

| ISSUE: **TRANSPORTATION, HIGHWAYS, DMV (DEPARTMENT OF MOTOR VEHICLES),
ALTERNATIVE TRANSPORT**
| COMMITTEE: **TRANSPORTATION**

“The safety of drivers traveling between Vermont and New York must be of the utmost importance, that is why I support Governor Paterson’s decision to replace the Crown Point Bridge. The costs to repair the 80 year-old span are prohibitive compared to the long-term, regional safety and economic gains if the bridge were to be replaced all-together,” said Senator Martin Malavé Dilan, Chair of the Senate Transportation Committee.
