

NEW YORK STATE SENATOR

Daniel L. Squadron

F Train Town Hall

DANIEL L. SQUADRON December 4, 2009

| ISSUE: **TRANSPORTATION, MTA (METROPOLITAN TRANSPORTATION AUTHORITY)**

This past summer, I called on the MTA to conduct a full line review of the F Train in response to the many constituent complaints I received regarding ongoing service problems. In October, the MTA released the findings from this review in a comprehensive report (which you can find on my website at: www.squadron.nysenate.gov).

To make this report even more accessible to the public, I and Community Boards 2 & 6 invite you to attend a Town Hall Meeting about the F train. MTA representatives will discuss the recent report about F train performance, and discuss proposals for improving service.
