Transcripts Of The Special Committee of Inquiry To Investigate The Circumstances Surrounding The Conviction Of Hiram Monserrate

ERIC T. SCHNEIDERMAN January 18, 2010

As a matter of transparency, the Special Committee of Inquiry took the extraordinary step of having a court reporter maintain a stenographic record of every meeting, including executive sessions. Transcripts are now available from these meetings for download below.

The transcripts below are available in both .txt and .pdf format.

You can also find these transcripts in other formats on our Open Legislation page [here](#).
