

NEW YORK STATE SENATOR

Vincent L. Leibell

Homeland Security Business Roundtable

VINCENT L. LEIBELL January 31, 2010

| ISSUE: **HOMELAND SECURITY**

On January 25, 2010, I attended The Homeland Security Business Roundtable, sponsored by Senator Adams. This discussion focused on the level of disaster preparedness in our communities and industries, and ways to ensure that we have a quick and efficient response should a disaster strike. Thank you to Senator Adams and his staff for organizing this roundtable discussion.
