

NEW YORK STATE SENATOR

Shirley L. Huntley

Help Haiti

Shirley L. Huntley

February 5, 2010

Statement from Senator Huntley:

"The citizens of Port-au-Prince and surrounding towns need a wealth of help and compassion from everyone in the international community. We all must play a role in lending a helping hand to those who need it most. In the darkness that many have encountered, know that there is light and help arriving. It is when adversity rises, do we truly know the extent of our inner strength and compassion. I hope that those residing in my district, throughout America, and in Haiti searching for loved ones, know that our prayers and condolences will continually be with them."
