

NEW YORK STATE SENATOR

Michael F. Nozzolio

Progress At Sampson Veterans Cemetery

MICHAEL F. NOZZOLIO February 26, 2010

Great strides have been taken in transforming the former Sampson Naval and Air Force Training Center into a world class veterans cemetery. Senator Nozzolio reported that in addition to the clearing of the land to make way for the development of the site, the design and layout of the cemetery has been approved by the local cemetery board.
