CITIZENS COMMITTEE FOR NEW YORK CITY **FOR BETTER NEIGHBORHOODS**
GRANT APPLICATION

Fall Deadline: September 30, 2009
Spring Deadline: March 14, 2010

Have a great idea for a community improvement project?
Apply for a New Yorkers for Better Neighborhoods Award!

Through New Yorkers for Better Neighborhoods, Citizens Committee for New York City awards grants of \$500 to \$3,000 to volunteer-led groups to work on community improvement projects.

We believe that people can make important change happen on their streets and in their communities by working together. We support New Yorkers across the city in their efforts to build stronger communities. In addition to small grants, we offer one-on-one project planning assistance, skills-building workshops, and a resource center with access to computer stations, conference space and an equipment loan library. We also bring people together to share ideas, experiences, and expertise.

I would like to recognize all those working hard for their communities and direct them to grant opportunities being offered through the Citizens Committee for New York City. The grants are being given out for volunteer led groups and public school based student groups working to improve neighborhoods across the city. Applications are available through their website and by clicking on the link below.

In addition, the Citizens Committee for New York City also offers skill building workshops for the winter.

The dates and times of these events are also available on their website.

Good luck and continue with your efforts in helping to improve your community.
