

NEW YORK STATE SENATOR

Michael F. Nozzolio

Senator Nozzolio Meets With Supporters of Local Libraries

MICHAEL F. NOZZOLIO March 5, 2010

Senator Nozzolio recently met with librarians and library from across the Finger Lakes Region to discuss the importance of supporting public libraries and getting children involved in reading from a young age. The library representatives visited Albany as part of the New York State Library Association's Legislative Day, in which library members met with their representatives to explain how libraries have benefited their communities.
